

ONE-DAY STARTUP AMBITION & COMPASS

Our ambition session is a one-day interactive experience designed for startup management teams. During this session, we help you build the foundational elements of your startup's compass and dashboard. This framework guides your company's journey and supports clear communication with investors.

OVERVIEW

1

SESSION OBJECTIVES

- Develop a clear course for your startup's progress
- Create a dashboard to track key metrics
- Facilitate communication with stakeholders and investors

2

PREPARATION REQUIREMENTS

To ensure a productive session, please provide a **business plan** and **pitch deck** in advance. These documents will form the basis of our discussions and planning.

3

EXPERTS

A team of two Senior Associates will conduct the session, guiding you through the process and providing expert insights.

4

PRICING DETAILS

- **Remote Session:** € 4,500.
- **Face-to-Face Session** (recommended): € 5,500 + expenses.
- **Additional Support:** 8 hours of further assistance for € 1,500.
